# Parent & Student Transition Information Event

Please join us in partnership with Birmingham Charter for a highly interactive experience to prepare parents and students for the major choice of selecting a college or vocational/career tech program of study or training. This event allows parents and students to speak one on one with representatives from the Disabilities Offices and Outreach Department from the following schools:

**College of the Canyons**

**Cal State University Northridge**

**ITT Tech**

**LA Mission College**

**Paul Mitchell The School**

**New Horizons**

**LA Valley College**

**College Living Experience**

**DeVry University**

**Valley College of Medical Careers**

**College Internship Program**

**UTI and many more....**

### Highlights of the Event:

- Speak to representatives from the **Disabilities Resources Offices** and learn about all of the services they offer students with disabilities such as, Early Registration and accommodations.
- Learn about the Associate degree and Certificate programs each school offers.
- Meet with the representative from the **Department of Rehabilitation** and learn about how this community agency can assist your son or daughter transition to a job, college or vocational training.
